Description

NOTE: This skate is intended for **ENTRY LEVEL** and **LOW WEIGHT** skaters (120lbs & less). Please upgrade to the Aluminum **BONT Tracer Plate Option** if you are over 120 lbs and intend to use this skate for Roller Derby.

The **BONT Prostar Prodigy Roller Skate**, a skate designed for you. A skate designed to be light, responsive and heat moldable. The thermoplastic in the heel allows you to mold your boot with a hairdryer to obtain a custom fit in under 10 minutes. This is especially good for skaters with skinny or wide ankles. The boot is made with microfiber and features replaceable rubber bumper toe protection, an adjustable velcro top strap and rear heel loop to put your laces through.

NOTE: This skate is intended for ENTRY LEVEL and LOW WEIGHT skaters (120lbs & less). Please upgrade to the aluminum Tracer plate if you considering this for Roller Derby or are a heavier weight.

BONT Prostar Skate Features:

- Fiberglass
- Outer skin: Microfiber
- Liner: Microfiber
- Boot height: High
- Heel rise: 6mm
- Innersole: EVA with fabric
- Heat moldable: Fully heat moldable base utilizing epoxy thermoset resin
- Padding: Memory foam
- Size options: 1 - 12.5
- Fit options: Standard
