Description

Riedell 495 Roller skate boots are hand-made in the USA with hand sorted full grain leather upper. Shearling tongue with sponge padding for extra comfort and relief from laces as well as full-grain Chinook leather lining treated for moisture-resistance. Features Riedell's HF-5 heat moldable reinforcement on the outside quarter right boot. The outsoles are stitched and cemented for added durability. **SIZING:** Standard instock boots are Medium(D/B) width sized in Men's sizes (utilizing a split-last which makes for a narrower heel to better suit women's feet) from 3-13.5.
