## Standard Back Brake

---

### Description

The Standard Back Brake made by Sure-Grip in California, fits any regular Roller Skate truck (except the StreetSkater™ see the specific StreetSkater™ Back Brake to fit those wider trucks). You need this especially when skating outdoors, in busy public places, on hills or trails and when you need to control your stopping ability quickly when encountering obstacles. Get FREE installation when purchased at the same time as your outdoor or indoor roller skate set-up! Choose which foot you would like the brake installed on or put one on both for extra security!
